

COMING SOON!

The CRAB Information Technology Team presents:

“CRAB Technology Exchange”

Coming to a location near you...

Mark your calendars...

You don't want to miss out on this FREE informative event.

CRAB's Information Technology team is planning a 1-day free event in which to present to you the latest and greatest innovations in CRAB technology along with some County success stories and WSDOT's roadway imaging systems.

For your convenience, this event is planned in a Westside and an Eastside location:

- Western Washington:
 - Tuesday, January 15, 2013 – 8:30 AM – 3:00 PM
 - CRAB Office - 2404 Chandler Court SW, Suite 240 – Olympia, WA 98504
- Eastern Washington:
 - Tuesday, April 2, 2013 – 8:30 AM – 3:00 PM
 - Confluence Technology Center (CTC) – 285 Technology Center Way - Wenatchee, WA 98801

Draft Agenda

The CRAB Technology team will be presenting the following:

- History of CRAB's software development program and the implementation of design systems
- Brief introduction of Mobility, VisRate, SignRate
- Brief introduction of CRAB's website features including RAP Online
- Brief introduction to Design Systems
- Insights into Mobility (An overview of features you may not be aware of)
- Roadway imaging systems – Roger Chappell (WSDOT)
- Breakout sessions:
 - Design systems
 - Mobility's Pavement Management System
 - County success stories – How Mobility (Custom reports, etc.), VisRate, SignRate, and design systems have benefitted Counties.
 - Mobility Map/Integration with GIS
- Panel discussion – Open for your comments and suggestions in future planning and development. Possible topics may include:
 - CRAB technology enhancements (Mobility, VisRate, SignRate, etc.)
 - Collaborative/neighborly networking efforts and communication between counties
 - Opportunities for advanced and specialized training
 - Possible creation of local user groups
 - ??? – Whatever you'd like to discuss

This event is still a long way off; however, in order to assist us in our planning efforts, we'd like to know if you'd be interested in attending. Also, for those interested, we will be offering a Mobility training class, held Wednesday and Thursday following this event.

Please take a moment to register so that we can continue in our planning efforts.

Thank you,

The CRAB Technology Team
